

from a plurality of diversified resources to the integrated pieces of information according to the priority order given to the integrated pieces of information."

Accordingly, Applicants respectfully request the Examiner to withdraw the rejection to claims 1, 11, and 21 and allow the pending claims.

CONCLUSION

Applicants respectfully point out that the final action by the Examiner presented some new arguments as to the application of the art against Applicants' invention. In view of the foregoing remarks, Applicants submit that this claimed invention is neither anticipated nor rendered obvious in view of the prior art references cited against this application. Applicants, therefore, request the Examiner's reconsideration and reexamination of the application and the timely allowance of the pending claims.

Please grant any extensions of time required to enter this response and charge any additional required fees to our deposit account 06-0916.
